RE: Law Day "Dialogue On Freedom" Project

Dear Michael:

Thank you once again for volunteering to lead and facilitate discussions for the "Dialogue on Freedom" project. I know your time is valuable and that there are many other opportunities for volunteer work, so I really appreciate your commitment to this project. Perhaps in the near future the Atlanta Bar Association and the Multibar Leadership Council can organize and facilitate another discussion group at Therrell High School. If so, I would be grateful if you would consider volunteering again, if such an opportunity arises.

Please find enclosed the evaluation forms for this project. Please fill it out and return it in the enclosed addressed envelope. The evaluations will then be forwarded to the American Bar Association for its review of the "Dialogue on Freedom" project.

Regards,

Judith S. Kim
